Mr Graham Wilson
West Bergholt Concert Band

18th June 2010

Dear Graham

I write to express our very sincere thanks to you and the members of your Band for producing the concert at the West Cliff Theatre last Sunday. It was really a wonderful event and greatly enjoyed by all those attending.

The proceeds from this, together with the Tombola, and flag sales will provide a very welcome addition to their funds. They are very committed to raising funds for these very poor people and we in Rotary feel privileged to be able to help them.

With renewed thanks

Yours sincerely
